**Remittance Order**

1. This remittance order is issued pursuant to Section 16(a)(2)(C) of the Toxic Substances Control Act (TSCA), which permits the Administrator of the U.S. Environmental Protection Agency (EPA) to “compromise, modify, or remit, with or without conditions, any civil penalty which may be imposed under [Section 16(a) of TSCA, 15 U.S.C. § 2615(a)].” 15 U.S.C. § 2615(a)(2)(C). This authority was redelegated to the Regional Administrator of EPA Region 5 by EPA Delegation No. 12-2-D (May 1994).

2. On August 14, 2015, in a proceeding to assess a civil penalty under Section 16(a) of TSCA, 15 U.S.C. § 2615(a), Anderson Preparatory Academy, Inc. (Anderson) was assessed by consent agreement and final order (CAFO) a penalty of \$44,590. Pursuant to 40 C.F.R. § 22.31(c), Anderson was ordered to pay the \$44,590 penalty no later than September 30, 2015.

3. Also on August 14, 2015, Anderson and EPA Region 5 entered into a Remittance Agreement under which EPA Region 5 agreed to remit \$44,590 of the penalty by a remittance order on condition that Anderson complete the actions described in the Remittance Agreement's Compliance Program and Schedule on time, including removing and properly disposing of all fluorescent light fixtures with historic leaks of polychlorinated biphenyls (PCBs), conducting post-cleanup sampling, analysis, and verification, and sending EPA Region 5 compliance documentation for the cleanup.

4. On September 21, 2015, EPA Region 5 determined that Anderson met the condition for remittance of the penalty of \$44,590. By completion of this condition, Anderson has fully satisfied its obligations pursuant to the CAFO dated August 14, 2015. EPA Region 5 therefore remits \$44,590 of the penalty.

5. This Remittance Order shall become effective immediately upon filing with the Regional Hearing Clerk.

IT IS SO ORDERED.
